

# Family Questionnaire

Blank forms of this questionnaire can be obtained, by going to <http://GenealogyWings.com/BlankForm.pdf> (not case-sensitive).

You can then print as many copies as you wish. Also, you don't need to use this particular form. Instead, it just gives you an idea of the information that I am seeking. But you can use anything to provide me with the information, including just entering the information directly into emails.

Please see the Notes section at the end of this document, and thank you in advance.

# Family Questionnaire

Other Information: \_\_\_\_\_

When providing data, it would be appreciated if you could please:

1. For names, please provide ALL names in FULL, as would be shown on their birth certificates.

For example, please use Elizabeth instead of Liz.

And please list ALL their names. Example: Kathleen Hilda Ethel "Kit" MASON. If they have a name that they go by, such as KIT in this example, please place that name in quotes, as shown.

2. For dates, please write the month (please, NO numbers for months). Example: 11 Aug 1956 (or 11 August 1956).

3. For locations, please give us much information as possible, and it is important that the country also be included. Example: Chelsea (the suburb), London (the city), region (such as Dorset, Kent, Cornwall, etc.), and country (England, Wales, Scotland, etc.). You would list that place on the forms as "Chelsea, London, Greater London, England (without the quotes).

4. For marriages, this is a misnomer, because some people have children but are not married. A more accurate description would be "partner". If a couple have children but are not married, please indicate that fact.

A person may also have had children with more than one spouse/partner. If so, please include all of them.

Although not listed on this form, please include divorces as well, including the dates & places of these divorces.

5. For children, if you require additional space, their information can be provided on separate forms or blank paper.

Also, this may seem cruel to you, but the purpose of family trees (in most cases) is to record "blood" lines. Therefore "adopted" are not listed in these family trees. However, I may be willing to include them, but please note in those cases that a child was adopted.

6. If you have any other information about individuals, please include it. Also, if there is any uncertainty, please also include that fact.

7. To date (May 2011) I have approximately 3050 family members in our family tree (the majority of them being the Motyer line). If you wish access to this information, go to <http://GenealogyWings.com>

The information that you provide here will be added our Family Tree, and available only for your viewing.

Please note that for privacy purposes, you (and the public) will be able to view only those family members who are no longer living. This is to protect the privacy of those family members still living. However, as a family member, if you wish access to everyone in our family tree, please email me with a username & password that you would like to use, and I will gladly set you up with an account. With that account, you will be able to log into my site, and then you'll have access to everyone in our tree.

8. I can be reached at [JMM-Admin-Genealogy@PanAurora.com](mailto:JMM-Admin-Genealogy@PanAurora.com) , so if you come across more information at a later date, please feel free to contact me.
